Accordingly, submitted herewith is a copy of U.S. Patent Application Publication No. US 2003/0016301 A1 which is the U.S. 18 month publication of U.S. Application Serial No. 09/775,005 filed February 1, 2001.

Also submitted herewith are copies of USP 5,703,714 and three Japanese patent publications which were submitted to the Patent Office by the applicants in U.S. Application Serial No. 09/775,005. Commercially available English language Abstracts are provided for each of the three Japanese patent publications. USP 5,703,714 and the three Japanese patent publications are considered material to the subject matter of the present application since they were cited during prosecution of a related application.

It is respectfully requested that the Examiner consider the publications submitted herewith, and return initialed copies of the attached Forms PTO/SB/08A and PTO/SB/08B to confirm that the publications listed therein have all been considered and made of record.

Respectfully submitted,

Douglas Holtz
